COMPANY OVERVIEW

Craw Ford Electromechanical (CEMEC) established legally in 2013 and having a registered office in Abu Dhabi.

The Company is 100% locally owned and the commercial activity includes:

- Mechanical Contracting
- Electrical Contracting
- Air Conditioning, Ventilation Air Cooling Systems Maintenance, Installation and Contracting
- Buildings Maintenance
- Sewerage Fittings Maintenance
- Central Air-Conditioners Maintenance
- Onshore And Offshore Oil And Gas Fields And Facilities Services

It was established by highly motivated management team with long track records of successful completion of major projects in UAE. It has built its reputation by introducing innovative technologies in concept, development, design, planning, scheduling and execution of projects.

The Company specializes in providing effective solutions and complete services as well as Design, Drafting of MEP Services which includes HVAC, Plumbing & Drainage Services, Fire Fighting Systems & Electrical (Power & Lighting) installations, Fire Alarms Systems and other Extra Low Voltage Systems like BMS, MATV, CCTV Structural Cabling and Security Systems by incorporating with Specialist Suppliers, which comply with the client's specific needs and requirements.

It also undertake all kinds of MEP Repair & Maintenance Services like Residential & Commercial - High-rise Buildings, Villas, and also in Governmental & Semi Governmental Sectors & all types of Maintenance Services.

MISSION

We are committed to provide total satisfaction to our clients as per their demands, on time, high quality service at competitive prices, contributing to the development of the community, while maintaining integrity, safety and total quality management.

Our people are our ambassadors to lead guide and direct our team by developing project implementation and monitoring policies, processes and systems. We provide necessary training to have a skilled and confident workforce that can meet the challenges presented to them and provide efficient and excellent outcomes.

We are committed, also, to achieve our client's objectives by completing of contracts of high standard quality in a safe, timely and environmentally sound manner.

VISION

We aspires to keep moving forward to become a leading MEP engineering contracting company in United Arab Emirates, along with the practice of improving our quality system and professional excellence guided by the values of integrity, safety, dependability and punctuality towards client satisfaction by handling over projects that meet international standards.

CORE VALUES

COMMITMENT

In Commitment to continuously improve services and development of the company.

EXCELLENCE

To provide quality service and excellence with underlying focus on safety in all accounts.

MODERNIZE

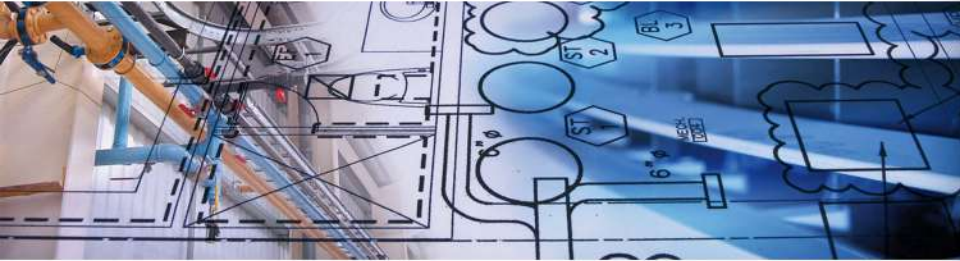

To meet the Client's satisfaction and simultaneously, adapting with the current requirement of the market.

EFFICIENCY

Efficiency in terms of delivering optimized quality services, concurrently being cost effective.

COMRADESHIP

To empower employees, through sharing knowledge, skills, working and leveraging as one team. Centre in employees growth.

QUALITY POLICY

Craw Ford Electromechanical (CEMEC) is committed in implementing proven Quality Management Systems to enable the delivery of workmanship and service to the highest standard. The goal of our company is to achieve a high level of customer satisfaction at all times.

All Employees are responsible for the quality of the work carried out for electromechanical services and performance.

They have the authority to ensure that quality requirements are met in full, improve our construction quality, maintain company's competitive advantage, satisfy its clients and comply with the requirements as defined in following international standards.

In summary, the quality policy is:

- o Know all our client requirements and expectations.
- o Meet those requirements and expectations all the time.
- o Do everything right at first time.
- o Do it better next time.

HEALTH, SAFETY AND ENVIRONMENT POLICY

Craw Ford Electromechanical (CEMEC) is committed to a policy of safe working conditions and practices, for all persons employed upon the project sites and therefore necessary precautions are taken to prevent adverse effects on its employees, its equipment and the physical environment in which its activities are carried out. This commitment to safety is communicated to all employees and its subcontractors by prominent displays on the project sites.

It is the greatest responsibility of all employees to understand their role in fulfilling this policy and follow the safety instructions and guidelines for overall safety and welfare of all involved in the activities.

OUR SPECIALIZATION

MECHANICAL

- HVAC Works
- Plumbing and Drainage Works
- Fire Fighting Systems

ELECTRICAL

- Power & Lighting Systems
- ELV Systems

MAINTENANCE

- MEP Systems and Services

Design, Engineering,
Supply, Installation,
Testing & Commissioning
of the following:

- HVAC Equipment
- Chilled Water Piping
- HVAC Duct Works
- Cladding Works

MECHANICAL: HVAC WORKS

MECHANICAL: PLUMBING & DRAINAGE WORKS

Design, Engineering,
Supply, Installation,
Testing & Commissioning
of the following:

- o Plumbing Equipment
- o Plumbing & Drainage Systems
- o Installation of Sanitary Fixtures & Accessories

MECHANICAL: FIRE FIGHTING SYSTEM

Engineering,
Supply and Installation
of the following:

- o Fire Fighting Equipment
- o Sprinkler System & Piping Works
- o Fire Hose Reel System & Piping Works
- o Fire Hydrant System & Piping Works
- o Fire Suppression System & Piping Works

Note: (the above works are executed under the supervision of the approved Civil Defense)

ELECTRICAL: POWER & LIGHTING SYSTEM

Design, Engineering, Supply & Installation, Testing & Commissioning of the following Electrical System:

- o Power (LV Switch Gears, VFD Panels, Control Switch Gears)
- o Lighting & Luminaires

ELV SYSTEMS

Design, Engineering,
Supply & Installation
of ELV System such as:

- Fire Detection and Alarm System
- Access Control System
- Video Surveillance System
- Lighting Control System
- Building Management System
- Energy Monitoring System
- Structural Cabling System
- Earthing & Lighting Protection
- Public Address System
- Emergency Lighting & Central Battery System
- Testing and commissioning of complete ELV system with the supervision of Specialist Suppliers)

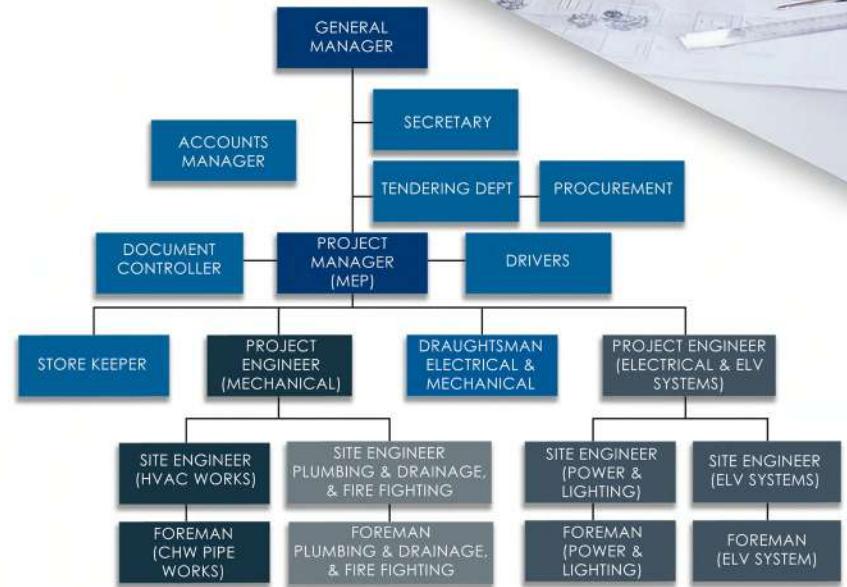

MAINTENANCE SERVICES

Annual Maintenance & Service Contract/Agreements for MEP Systems (Electrical & Mechanical Systems) Specialist Suppliers)
